

## Environmental, Health, and Safety Representative

Biewer Wisconsin Sawmill is looking to add a full-time **Environmental, Health, and Safety Representative** to our team in Prentice, WI. This position will have problem-solving skills and the ability to use good judgment in a fast-paced environment.

**Schedule:** M - F (8 am - 4 pm)

### Accountabilities:

- Implement and maintain a variety of environmental, health, and safety programs to ensure the highest possible degree of safety.
- Carry out site safety training, monitoring, auditing, recordkeeping, and more while ensuring compliance with state and federal OSHA regulations and standards.
- Create a culture of safety and engagement to support safety goals.
- Prepare and maintain necessary air and storm water permits and air emission monitoring and reporting.
- Maintain the hazard communication program, SDS documents, and chemical labeling/containers.
- Complete safety orientations for new employees.
- Coordinate with maintenance for proper guarding and safety measures.
- Organize and lead safety committee meetings and programs.

### Qualifications:

- Bachelor's degree or at least 2 years related experience in safety, environmental, or health management and compliance.
- OSHA 10 certificate; OSHA 30 is preferred.
- First Responder/First Aid/CPR/Bloodborne Pathogens training/cert.
- Must be self-motivated, reliable, and able to work unsupervised.
- Proficient computer skills and ability to use a variety of programs (Microsoft and Google platforms).
- Superior interpersonal skills and verbal and written communication skills.
- Ability to bend and lift 15 lbs and stand for up to 80% of a shift.
